

As required by Florida Statute 553.842 and Florida Administrative Code 9B-72m please provide the information and approval numbers for the building components listed below if they will be utilized on the building or structure.

FL approved products are listed online at [www.floridabuilding.org](http://www.floridabuilding.org) or can be obtained from the local product supplier.

**The following information must be available onsite for inspections:**

- 1) An OCDBS stamped copy of this Product Approval Cover Sheet.
- 2) An OCDBS stamped copy of the manufacturer's information details and requirements for each product.
- 3) An OCDBS stamped copy of the Internet screen showing the product and it's Florida Product Approval number, and the Florida Building Code edition.

\* Manufacturer's installation instructions for asphalt shingles are not required to be submitted to the office, but must be available onsite.

It is the applicant's responsibility to verify that specific products have been installed in accordance with their limitations and with the minimum required design pressures for the structure.  
Specific compliance will be verified during field inspections.
